

JUNE 2010 NEWSLETTER

We would like to extend a warm welcome to all riders, families and friends of the Morgan Motorcycle Club. We have started the season with four great rounds and many of our members, both senior and junior, have been competing in events including The Fink Desert Race, Road Trials, Speedway, Enduro and State MX competitions. We wish all competitors good luck for the remaining events!

Our track has been repeatedly prepared for us by Cowboy, in his meticulous fashion and we are deeply indebted to him for the never ending hours he dedicates to our club.

This year the canteen is being very well managed by Tiffany. She has a number of regular helpers but could always do with a few extra hands before the lunch break. The canteen has also been updated with new flooring which is much easier to keep clean and looks great.

TRI SERIES

MMC, TTG and MRA clubs are combining for a tri-series competition. These days will allow members of the three clubs to ride and catch up together at different venues. The race format and laps will be determined on the day of competition but will include the following classes; 50cc div 1 & 2, 65cc 7-9yr & 12-14yr & 11-13yr, 85cc 9-12yr & 12-14yr & 14-16yr, 250cc, 450cc, Vet, PW S/C, Jnr S/C, Snr S/C. Entry fees will be determined by the host club and trophies will be presented at end of the series.

The dates are

TTG 8/8/2010 **MRA** 19/9/2010 **Morgan** 10/10/2010

A great opportunity for both junior and senior riders!

24HOUR TRIAL CHECK POINT

The 24hour trial committee has once again asked the Morgan MCC if they would like to run a checkpoint this year. It will be held on the 10th and 11th July. If you would like to help over the weekend, please see Scott Wait.

RUBBISH

Just a reminder about the rubbish around the track - can you please clean up before leaving?
Thanks to everyone last round that collected the bins and brought them to the grandstand to
make collection much easier.

AUSTRALIAN SIDECARCROSS ASSOCIATION EVENTS

The Australian Sidecar Cross Association are once again holding a five round series in 2010 and they are inviting all solo riders along to each event to compete in solo support races. The format of the events is similar to that of Morgan events (mainly because the same people are involved in running this series) and it will give Morgan MCC members the opportunity to ride some excellent tracks.
