

July 2009 Newsletter

June and July have been extremely busy months for Morgan MCC members with riders riding in a number of events. The Morgan CC have been represented in events such as the Finke Desert Race, 24hr Trial, State Motocross Rounds along with the recent inter club enduro day we held with Keyneton MCC. To days event once again promises to be a great day with a lot of work being undertaken by Cowboy to prepare a beautiful track for you all.

24HOUR TRIAL CHECK POINT

The 24hour trial committee once again asked the Morgan MCC if they would like to run a checkpoint this year. It was held on July 11th and 12th, and this year we took on controls 1 & 2 (in and out) with Scott Wait doing a brilliant job in organizing everything. Although we had a very windy spot, it was a brilliant location for those to watch the riders negotiate a open fast section. Well done to all those that put their hand up to help on the weekend and thanks once again to Scotty for organizing a brilliant tent for us to get some protection from the weather.

PEE WEE CLASS

This week we had our annual MSA Track inspection and included within the inspection was an approved Pee Wee diversion for times where the track conditions become to difficult for the small wheels to negotiate. Although the Morgan MCC have a duty of care at all times for its members, we must also place the emphasis back on the riders and parents to ensure that all riders should be able to pick up their own bikes in the instance when they fall off. Ultimately, any rider who can not pick up their own bike, should not pass the kick start program and as a result should not be riding in any motocross event. This is something that has been discussed at recent club meetings, and is being considered in the future, so parents, lets encourage your kids to make the effort to pick up their bikes, and move out of the way of oncoming bikes, to ensure their safety at all times.

Rubbish

I never thought I would see the day when I had to remind you all that you must clean up after you before leaving the track, however it is disappointing that I must do that. Clearly, quite a few of you are taking Cowboy and Bags for granted and just leaving your rubbish on the ground for them to pick up. Be considerate, and CLEAN UP BEFORE YOU LEAVE.

Annual Raffle

The Morgan MCC will once again be running a Monster Raffle in 2009 with first prize being a choice of a Pit Bike or Suspension Products. Karen Glazbrook is organizing this raffle this year and we are seeking anyone who may have contacts for other prizes. If you are aware of anyone, please approach Karen or give her a ring on 0422269289 and help the club out. Many of you do very little around the club, so please remember, if you are a member and are provided a raffle book, please make the effort to sell it as it is this raffle that keeps your memberships and riding fees the lowest available in South Australia.

Australian Sidecarcross Association Solo Events

The Australian Sidecar Cross Association are once again holding a five round series in 2009, and this year they are inviting all solo riders along to each event to compete in solo support races. The format of the events are identical to that of Morgan events (mainly because the same people are involved in running this series), and it will give Morgan MCC members the opportunity to ride some new and excellent tracks. The events are all closed to club (except the last round), and will cater for all classes.
